

Project Manager/Project Architect needed to lead sustainable, innovative projects with Studio G Architects

A diverse, collaborative, and growing architecture studio, **Boston-based Studio G** seeks **enthusiastic individuals for socially and environmentally innovative design projects**. Committed to social equity and inclusiveness, we design **people-centered, place-specific, environmentally sensitive housing, schools, and civic projects**.

We seek a **experienced, creative Project Manager/Project Architect with 8-12+ years' experience in design firms** to work closely with the Principal-In-Charge in the design and management of multi-family housing and/or civic projects. Studio G prides itself on a diverse, multi-cultural, and LGBTQ-friendly workplace. We value individuals who offer design creativity, problem-solving, and analytical thinking. We welcome those who enjoy mentoring junior staff and are looking for opportunities for professional growth and advancement within the firm.

Minimum requirements: B.Arch or M.Arch degree; MA architecture license or ARE exams in process or completed; strong communication and collaboration skills; construction administration experience; demonstrated experience in PM capacity, leading design efforts, client and community presentations, and overseeing construction drawings; demonstrated skills with consultant coordination and client relationships; experience with contracts, fee proposals, and ability to manage project budgets and team workflow. Strong organizational skills and ability to work independently. Revit or other BIM and Adobe Suite experience preferred.

Highly Desirable: Proficiency in Revit, experience with high-performance multifamily housing and/or civic projects; Experience with public projects and/or non-profits. Experience with public projects under MSBA, DCAMM or other state agencies

Benefits: Competitive salary commensurate with experience. Health Insurance (HMO & PPO), Dental Insurance, and FSA requires no waiting period. Studio G offers 401K with company contribution upon eligibility, professional development and mentoring programs, generous paid time off, support for emerging professionals, and a fun, engaging workplace that encourages a flexible, balanced work-life culture.

Please send resume and portfolio samples less than 7 MB by email to resumes@studiogarchitects.com. Please do not send links to third party websites, which may not be reviewed.

Equal opportunity employer.
